

ADVANTAGE FAMILY

The Quickie Advantage Family includes **QXi**, a customisable light-weight folding chair and **QRi**, a rigid wheelchair designed for the long term, semi active or active user.

They offer plenty of adjustability and options, including a transport package, to allow these chairs to be tailored to meet a wide range of common user needs.

Quickie QRi

Quickie QXi

Live Without Limits

The Quickie® QRI™ is an entry level lightweight rigid chair with a strong and innovative frame design perfect for users on the go.
